ABOUT ME

I bring over 20 years of extensive workforce and job development expertise working with diverse populations including adults, dislocated workers, disconnected and younger youth, homeless individuals, reentry populations, and women. In March 2021, I retired from the Housing Authority of the City of Los Angeles (HACLA) after 24½ years of service. In my role as the Workforce Development & Section 3 Manager, I oversaw a staff of 30 across 14 public housing developments. Our unit operated on an annual budget of $6.5 million and served 3,500 active clients.

During my tenure, I managed the Watts/Los Angeles WorkSource Center, HACLA Summer Youth Employment Programs, and HACLA Employment Technology Centers. I also established and maintained financial and professional alliances with the City and County of Los Angeles and the U.S. Department of Housing and Urban Development (HUD). Notably, my team and I secured a $3.7 million HUD Jobs Plus Grant for the Nickerson Gardens Housing Development.

Additionally, I have comprehensive experience working with the Workforce Innovation and Opportunity Act (WIOA) for the City and County of Los Angeles, the Rodriguez Settlement/LARCA Program, the National Emergency Grant (NEG), the Transitional Subsidized Employment Program (TSE), the Community Development Block Grant (CDBG), and LA Probation Housing Based Day Supervision. I have also been an active member of the Los Angeles World Airport (LAWA) Taskforce, the California Workforce Association (CWA), the Interdepartmental Health Equity Collaborative.

WORK WITH STEADINESS, LEAD WITH CLARITY, AND LET THE RESULTS SPEAK FOR THEMSELVES.
